Report on Use of ICT Resources

In Our Kantilal Khinwasara B.Ed. College, Thergaon We specifically encouraged our student teachers to join what's app group, on that information and presentation and notice of courses are shared by all Teachers. As per requirement method teachers also create there subject Group. Most of the time email id was shared with all students on that email, student teachers shared their presentation which was evaluated by all teachers. Respective subject mentor checked their mentees files and give them proper feedback on specially checking their technology based Lesson and seminar presentations.

Report on Use of ICT By students

In our Kantilal Khinwasara B.Ed. College, Thergaon we specifically insure that all students should use technology for learning purposes. At the time of giving seminars for compulsory subjects for Course 101 to 105 and Course 201 to course 205 teachers assign them different topics on that topic. Students collect information from the internet and use it at the time of making a presentation.

That presentation they will mail to respective subject teachers and they will check it and then do the presentation in the classroom on the projector in front of teachers and all students. Simultaneously for Course 111 A is Understanding ICT for this each student makes a presentation on social issues and prepares their own presentation, collecting video images from the internet and presenting it in the college ICT Laboratory. For Course 108 & 109 all students Collect Lessons Using Technology for that purpose also they use technology

Prepare their presentation and present it in classroom in front of Micro-mentee. At the time of internship or Conducting Practice lesson in School Students use Their mobile or laptop to show Tube Video Or presentation to explain the concept

Report:- Use of ICT By Mentee

Our Kantilal Khinwasara B.Ed. College, Thergaon is one of the best teacher training colleges. We try to set an example in front of society by giving exposure to technology. Technology is really very important for teaching & learning purposes. All mentors are using their email, mobiles for preparing, checking presentations.

At the time of presenting lessons in school, mentees prepare lesson notes and send them to respective teachers for their guidance. Students use Twitter, Facebook, Instagram, Youtube Video for Understanding content and also observe Videos regarding teaching methodology.
