Student Feedback –Analysis  
Action Taken report  
2023-24

From The analysis of students feedback following points are noticed to Acton.

The feedback was collected manually from the students. The students expressed their satisfaction related to the teaching, infrastructure, and administration and other things but complained about the reading space in the library which caused them to be unable to concentrate on their studies, Another complaint was about unhygienic toilets, and also they need a photocopy facility in the library. Their points of concern were duly noted down.

Accordingly, the principal announces a separate reading room for students. And A few of the teachers whose performance was not up to the mark were called upon and their feedback was shared with them individually suggesting them some ways of improvement.
