# Report

## Certificate Course on Classroom Management Techniques: Completion Report

### Course Details:

- Course Title: Classroom Management Techniques
- Duration: 30 hours
- Dates: From 1<sup>st</sup> Feb.to 29 th Feb.2024
- Venue: Seminar Hall,K.k.B.Ed.College.
- Number of participants: 25

### Objectives: - 1 Understand the importance of classroom

management

2 Develop strategies for managing student behavior

3 Learn effective communication techniques

4 Understand how to create a positive learning Environment.

5Develop a classroom management plans.

6 Learn classroom management techniques.

### Course Overview:

The 30-hour Certificate Course on Classroom Management Techniques was designed to provide teachers with practical strategies and techniques to manage their classrooms effectively.

The course covered topics such as:

- Understanding student behavior and motivations
- Creating a positive learning environment
- Strategies for managing student behavior

- Effective communication techniques
- Building relationships with students
- Effective class management techniques

#### Course Outcomes:

- Participants demonstrated a clear understanding of effective classroom management techniques
- Participants showed improvement in their ability to create a positive learning environment
- Participants learn skills to manage student behavior and promote academic engagement

#### Feedback :

- Participants provided positive feedback on the course content and delivery
- Participants reported feeling more confident in their ability to manage their classrooms
- Participants suggested that the course should be made a mandatory requirement for all teachers

#### Recommendations:

- Offer the course as a regular professional development opportunity for teachers

#### Conclusion:

The Certificate Course on Classroom Management Techniques was a success, with participants demonstrating a clear understanding of effective classroom management techniques. As the coordinator, I am proud of the impact this course has had on Student-teachers and look forward to offering it again in the future.

## VALUE ADDED COURSE

**TITLE: Personality Development**

**A/Y-2022-2023**

**Course Duration: 1 Month ,Marks-50**

### **Course Overview:**

This course aims to enhance personal growth and development by focusing on various aspects of personality. . Participants will learn practical skills and strategies to improve self- awareness, communication, confidence, emotional intelligence, and other key areas that contribute to personal and professional success.

The background of a personality development course is rooted in the belief that individuals have the potential to grow and improve. By developing certain skills and qualities, they can enhance their personal and professional lives. These courses aim to provide individuals with the tools and knowledge to navigate various social and professional situations with confidence and effectiveness.

## OBJECTIVES OF PERSONALITY DEVELOPMENT COURSE

1. Self-awareness: Helping individuals gain a deeper understanding of their own strengths, weaknesses, values, beliefs, and personality traits.
2. Self-confidence and self-esteem: Building individuals' confidence in their abilities, enhancing their self-esteem, and promoting a positive self-image.
3. Effective communication skills: Developing effective verbal and non-verbal communication skills, including active listening, assertiveness, and clarity in expressing thoughts and ideas.
4. Interpersonal skills: Enhancing individuals' ability to build and maintain healthy relationships, including skills such as empathy, conflict resolution, teamwork, and networking.
5. Emotional intelligence: Developing emotional intelligence skills, including self-awareness, self-regulation, empathy, and social skills, to better understand and manage emotions in oneself and others.
6. Leadership skills: Cultivating leadership qualities such as decision-making, problem-solving, motivating others, and effective delegation.

7. Adaptability and resilience: Equipping individuals with the skills to adapt to change, handle stress, bounce back from setbacks, and maintain a positive attitude in challenging situations.

8. Personal branding and professional image: Assisting individuals in developing a strong personal brand, enhancing their professional image, and understanding the importance of professionalism in various settings.

9. Time management and goal setting: Teaching individuals effective time management techniques, prioritization, and setting SMART (Specific, Measurable, Achievable, Relevant, Time-bound) goals.

10. Continuous self-improvement: Encouraging individuals to embrace lifelong learning, personal growth, and continuous self-improvement in various aspects of their lives.

These objectives aim to help individuals enhance their personal and professional lives, improve their relationships, and achieve their goals by developing a well-rounded and positive personality.
