### 3.1.4.1

Innovation is any new idea, creative thought, or new imagination in the form of a device or method or activity Kantilal Khinwasara B.Ed.college.The college aims at providing opportunities for students to come out with new ideas, as trying innovations increase students chances to react to changes and discover new opportunities

#### Objectives

- ❖ To offer both cognitive and affective experience
- ❖ To build their constructive thinking
- ❖ To come up with new ideas that increase productivity
- ❖ To develop the creativity of students

#### Nature of activities

##### Organizing Different Co-Curricular Activities

Students of the college get opportunities from time to time to participate in different activities like poster making, Self-composed poetry recitation, and best out of waste where they get an opportunity to brainstorm and come up with their novel ideas in different situations and celebration different days.

Students at Kantilal Khinwasara B Ed. College celebrate different National and International Days like Women's Day, World Environment Day, Yoga Day and Aids Day on the specified dates. The students come up with their novel ideas and implement them to bring out some innovative work. This exercise is done on a continuous basis by the students to make the objectives of constructive thinking, creativity, and developing cognitive and aesthetic sense.

Our college further promotes research in multiple ways. It encourages staff members to go for research by providing financial aid for the various research projects and for research activities like seminars, conferences and workshops obtained from the bodies like Savitribai Phule Pune University, Pune and our institution.

Session Conducted on Effective Use Of Teaching Aids

By-Yashwant Nikam Sir

Date-06/01/2024

Teaching aids are materials or tools used to support and enhance teaching and learning. They can help to:

1. Clarify complex concepts
2. Engage students
3. Facilitate understanding
4. Supplement instruction
5. Provide additional practice

Types of Teaching Aids:

1. Visual Aids:

- Pictures
- Diagrams
- Charts
- Graphs

Principal  
Kantilal Khinwasara B.Ed College  
Thergaon, Pune - 411033

Principal

- Mock-ups
- Real-life objects
- Specimens
- Artifacts

#### 6. Technology-Based Aids:

- Interactive whiteboards
- Digital projectors
- Tablets
- Smartphones
- Online platforms

#### 7. Other Aids:

- Flashcards
- Concept maps
- Flowcharts
- Graphic organizers
- Role-play materials

These teaching aids can be used in various combinations to support different learning styles and needs, and to create an engaging and effective learning environment.

- Mock-ups
- Real-life objects
- Specimens
- Artifacts

#### 6. Technology-Based Aids:

- Interactive whiteboards
- Digital projectors
- Tablets
- Smartphones
- Online platforms

#### 7. Other Aids:

- Flashcards
- Concept maps
- Flowcharts
- Graphic organizers
- Role-play materials

These teaching aids can be used in various combinations to support different learning styles and needs, and to create an engaging and effective learning environment.

Here is a PPT presentation on how to use teaching aids effectively in class:

### Slide 1: Introduction

- Title: "Using Teaching Aids Effectively in Class"
- Subtitle: "Enhancing Student Learning and Engagement"
- Image: a teacher using a teaching aid in class

### Slide 2: What are Teaching Aids?

- Definition: "Teaching aids are materials or tools used to support and enhance teaching and learning"
- Examples: visual aids, audio-visual aids, interactive whiteboards, educational software, etc.

### Slide 3: Benefits of Teaching Aids

- Engage students and promote active learning
- Clarify complex concepts and ideas
- Support diverse learning styles and needs
- Enhance student motivation and interest
- Facilitate teacher-student interaction

#### Slide 4: Choosing the Right Teaching Aid

- Consider learning objectives and outcomes
- Select aids that align with the topic and subject matter
- Think about student age, ability, and prior knowledge
- Choose aids that are interactive and engaging

#### Slide 5: Using Teaching Aids Effectively

- Introduce the aid clearly and concisely
- Demonstrate how to use the aid
- Encourage student interaction and participation
- Monitor student understanding and adjust instruction
- Use aids to supplement teaching, not replace it

#### Slide 6: Visual Aids

- Images, diagrams, charts, and graphs
- Use to illustrate complex concepts and ideas
- Make sure images are clear and relevant

### Slide 7: Audio-Visual Aids

- Videos, podcasts, and audio recordings
- Use to engage students and promote listening skills
- Make sure audio is clear and relevant

### Slide 8: Interactive Whiteboards

- Use to facilitate interactive learning and collaboration
- Encourage student participation and engagement

### Slide 9: Educational Software

- Use to support learning and engagement
- Choose software that aligns with learning objectives

### Slide 10: Conclusion

- Teaching aids can enhance student learning and engagement
- Choose aids that align with learning objectives and student needs

# BALIKA DIN CELEBRATION

Savitribai Phule birth anniversary is on 3<sup>rd</sup> January 1831. Birth anniversary of Savitribai Phule is celebrated as Balika din (Girl child day) in whole Maharashtra.

Savitribai Phule known as the first female teacher of India. She is the epitom of Indian feminism. She born on January 3 1831 in Maharashtra. Phule is the oldest known Indian social reformer, educationalist and poet.

Along with her husband, Jyotirao Phule, she played an important and vital role in improving women's rights in India. Savitri and her husband founded one of the first Indian girls school in Pune, at Bhide wada in 1848. She worked to abolish the discrimination and unfair treatment of people based on caste and gender. She is regarded as an important figure of the social reform movement in Maharashtra. At the time of her marriage, Savitribai was illiterate. Her husband Jyotirao Phule educated her at their home.

Phule was also an author and poet. She published Kavya Phule in 1854 and Bavan Kasi Subodh Ratnakar in 1892 and also a poem entitled "Go, Get Education" in which she encourage those who were oppressed to free themselves by

# PREPARATION

At Kantilal Khinwasara B.Ed college we celebrated "Balika Din". Where our chief guest was Mrs. Pradnya Gawali and our honourable principal of institute Dr. Nirmala Tapkeer ma'am. The start of the program was mesmerizing because our chief guest Mrs. Pradnya Gawali plays an act roll on the life of Savitribai Phule. We students got happy and we felt that real Savitribai Phule is talking with us.

And then our honourable principal and all teachers offers flowers to the photo of Savitribai Phule and done deep-prajwalan. and felicitate Mrs. Pradnya Gawali.

We the students of the college organized the program, with the guidance of our teachers Anchoring prof. Mrunalini Patil ma'am and Prof. Varsha Lambate ma'am.

# Induction Program

The day which is very important in new students life is Induction Program.

The main objective of the student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them ethos & culture of the Institution, help them build bonds with other students and faculty members and also expose them to the sense of larger purpose & self exploration.

Induction is well planned event to educate the new students about the environment in a particular institution and connect them with the people in it. The new students know about the institutional policies, process, practices, culture and values.

The time during the Induction program is also used to rectify some critical lacunas and sensitize them towards exploring their academic interest and activities, reducing competition, build relation between teachers and students overall personality development.

# Induction Program

(Celebration)

As we students and professors organised Induction Program at Kantilal Khinwasara B. Ed College, Thergaon, where chairperson was S. S. Tiwari sir and the chief guest of program was 1) L. B. Pandey 2) Ajay Kumar Rai 3) Kamlesh Tripathi sir

As the guest enter in the hall, welcome done by 2<sup>nd</sup> year students Sneha Panchi & Dipali Pajmane.

Our honorable principal ma'am welcome guest by giving him bouquet

The program started with lightening of lamp by our chairperson Tiwari sir and chief guest Pandey sir, Ajay Kumar Rai sir & Kamlesh Tripathi sir as well as our college principal Dr. Anumala Tapkeer ma'am.

After that program continued with Saraswati Vandana by Yogita Patel followed by Maharashtra geet and Vichhapusti geet.

Introduction of S.S. Tiwari sir given by Prof. Neeta Puri Ma'am, She explain that Tiwari sir is best educator as well as he is also industrialist. He is having many companies in Pune.

A Program continued with Introduction of all Professors.

- i) Neeta Puri

# INTRODUCTION

During the year 2021-22 in the year 2021-22 in the Syllabus of B.Ed the students of Kantilal Khinwasara B.Ed college had arranged the co-curricular activities widely.

many activities were conducted from the duration of 1 year of B.Ed course. The activities were arranged in order to make the students teachers understand the importance of the co-curricular activity. It also is a way to bring out the hidden activity & talent from the student teacher which they are not able to bring out due to some or the other program.

These importance of co-curricular activities will be beneficial to the student teacher in their future life when they would help come up as teachers.

# MEANING OF CO-CURRICULAR ACTIVITIES

Co-curricular activities (CCA) earlier known as Extra Curricular activities (ECA) are the components of the non-academic curriculum helps to develop various facets of personality development.

There is a need of emotional physical spiritual and the moral development that is complemented & supplemented by the co-curricular activities.

It helps in all round development of an one's life.

Co-curricular activities are the true & practical experiences received by the students. Co-curricular activities stimulates playing, action, action, singing, recitation, speaking & narrating.

It enable the students to express themselves freely through debates.

NTopt

Principal

Kantilal Khimwasara B.Ed. College

Thergaon, Pune - 411033

# NEED OF PRACTICAL

- 1) To promote opportunities for everyone to experience culture.
- 2) To promote the quality and artistic renewal.
- 3) To participate in the educational programme & events to develop their activities of Creativeness.
- 4) To promote a dynamic cultural heritage the preserved used & development.
- 5) To promote accessibility.
- 6) To promote International & inter-cultural exchange, & co-operation in Cultural.

NTopt

Principal

Kantilal Khawasara B.Ed College

Thergaon, Pune - 411033

# IMPORTANCE OF THE PRACTICAL

Co-curricular activities stimulates playing, acting, singing, recitation, speaking and narrating among the students.

Activities like practical participation in games debates, music, drama etc. helped in achieving overall functioning of education.

It enables the students to express themselves freely through debates. It also helps to develop the spirit of healthy competition. These activities guide students how to organise & present an activity, how to develop skills, how to co-operate & co-ordinate in different situations, All these help in leadership qualities.

It provides awareness of socialization self identifications & self assessment.

To inculcate the feeling of respecting other feelings. Develops a sense of belonging.

NTopt

Principal

# MARATHI RAJBHASHA DAY

Marathi Day is celebrated on February 27 to mark the birth anniversary of notable Marathi literature Vishu Vaman Shirwadkar who was known as "Kusumagraj". He was an eminent Marathi poet, playwright, novelist, short story writer & humanism. Marathi is one of the most spoken languages in the world. The Marathi language has some of the oldest literature of all modern Indo-Aryan languages on the dating from about 800 A.D.

After Kusumagraj's demise his birth anniversary was turned to Marathi Rajbhasha Day in 1990. This day is celebrated in schools, Maharashtra with cultural events in schools and colleges. Famous Marathi songs including "Mayboli Marathi" are sung and life events of Kusumagraj are showcased to the people.

Marathi is the 10th in list of languages with most native speakers in the world.

# SCIENCE DAY

National Science Day is celebrated in India on 28<sup>th</sup> February each year to mark the discovery of Raman Effect by Indian Physicist Sir C.V. Raman in 1928.

The theme of national Science Day is Integrated Approach in Science & Technology for a Sustainable future. The first national Science Day was celebrated on 28<sup>th</sup> February 1927.

The four fold approach of Integration would consist of

- Integration of all the Scientific departments which can work on theme based approach.
- Extended Scientific Integration Encompassing engineering, medical and other institutions.
- Extra Scientific Integration involving identification of the needs of other ministries like Jai Shakti, Railways etc.
- Extended Science driven ~~in~~ <sup>an</sup> inclusive approach ~~inter~~ <sup>integrating</sup> start ups & industry

# SCIENCE DAY

(Celebration)

We students of Kantilal Khinwasara B.Ed College organised Science day celebration under the guidance of Prof. Varsha Lambate where our honourable principal Dr. Nirmala Tapkeer ma'am was our guest of honour.

Since we all are aware of this pandemic situation hence the programme was organized virtually i.e. online (Zoom meeting)

Our program started with Idol worship and lighting the lamp by our guest of honour.

The program went on by a following speech by Rashmi Vidyasagar on the topic Dr. C.V. Raman it was an introductory speech followed by another speech by Rupali Khairnar on History of speech which was followed by memorizing poem by Shraddha Pande.

The theme of Science day this year Integration of Science and technology in Sustainable development was the topic of the speech delivered by Dr. Arjun Mukherjee

Science is empty & not complete without experiments hence two experiments one on Air pressure & other on water density were conducted by Sumita Wagh and Bhagyashree respectively followed by a speech on Scientific racism behind Indian tradition by Sonali Bantarkhe.

At last our Prof. Varsha Lamote ma'am delivered speech on the theme of the day.

The program ended on the note of vote of thanks by Dr. Chandradeepa

Thergaon, Pune - 411033

# WOMEN'S DAY

International Women's Day is a global holiday celebrated annually on March 8th to commemorate the cultural, political & socioeconomic achievement of women. This is also a focal point in the women's rights movement, bringing attention to issues such as gender equality, reproductive rights & violence & abuse against women.

It's a day where women are recognized & celebrated in their fields. These women have a fierce & robust spirit, which makes them excel in their respective areas. They deserve all the love & support that the world gives them on this day. The contribution of women in every sphere of life is massive.

They contribute their lives of their family members as well as the country.

Schools & colleges are getting more & more open to celebrating days like International Women's Day. It's a sign of progress & they are teaching the students to respect & honour women.

NTgt

Principal

Kantilal Khirwasara B.Ed College

Thergaon, Pune - 411033

If Schools & Colleges don't celebrate this day, students can't learn the importance of Women's Day.

Women's Day has become a custom every year now & celebrated for the women around us. All these women deserve respect, love, care & happiness.

# WORLD

# ENVIRONMENT

# DAY

Every year, World Environment Day is celebrated on June 5. This day is celebrated to encourage awareness & environmental protection.

First held in 1973, it has been a platform for raising environmental issues such as marine pollution, overpopulation, global warming, sustainable development and wildlife crime. World Environment Day is a global platform for public outreach with participation from over 143 countries annually. Each year, the program has provided a theme and forum for businesses, non government organizations, communities, governments & celebrities to advocate environmental causes. Although we also have responsibilities to keep our environment clean and disease free.

Principal

# ENVIRONMENT DAY

(CELEBRATION)

As we students and professors organised the programme at KANTILAL KHINWASARA B.Ed. COLLEGE where our chief guest was the chairperson and honourable principal of our institution Dr. Nirmaula Tapkeer ma'am.

The program started with lightening lamp by our chief Guest Dr. Nirmaula Tapkeer, our cultural head Prof. Jyoti Dawkhar and our organiser Prof. Shailaja Chaturvedi followed by puja ceremony.

Our program started with Informative speech by Jyoti more. She gave very nice information about environment day. The event was carried by a mesmerizing poem presented by Sonalitakade. She told do not cut the branches of Bamyan Tree on the festival Vatpurnima whereas plant a tree on that day.

"Let's nurture the nature so that we can have a better future!"

On this thought the event was again followed by a speech delivered by Ashwini Deshmukh. She gave very gave very knowledgable speech.

"World Environment day is not just a celebration but also a reminder to take the best care of our surroundings".

On this note the program was followed by Rashmi Vidyasagar. She presented a very informative speech. After that, the program was carried by poster presentation presented by Amruta Pargaonkar and Madhavi Newasekar with amazing silent act. Next was a poster presentation by Supriya mandare. She gave the information about her poster.

After that our organizer Prof. Shailja Chaturvedi was invited for her speech on the occasion, which was followed by speech of the Day which was delivered by our chairperson Dr. Nirmana Tapkeer ma'am.

After that approaching towards the program Harsha Chauhan was invited for the vote of thanks. It was followed by a

Skit at the downstairs presented by Jyoti more, Supriya kulharwi and Shital Chavam. They delivered very knowledgeable message about environment. It was followed by the plantation of small plants, which marked the end of program.

# NAGA PANCHAMI

Naga Panchami is a day of traditional worship of Nag or Snake observed by Hindu, Jain and Buddhist throughout India, Nepal and other countries. The worship is offered on the fifth day of bright half of month Shraavana according to the Hindu calendar.

The Mahabharata epic, the Sage Astika's quest to stop the sacrifice of serpents of King Janamejaya is well known as it was during this sacrifice that Mahabharata as a whole was first narrated by the Sage, Vaishampayan. This Yagna sacrifice was performed by Janamejaya.

The day that the sacrifice was stopped, due to the intervention of the Astika was on the Shukla Paksha Panchami day in the month of Shraavana.

The day has hence been observed as Naga Panchami.

# Naga Panchami

(Celebration)

Our college "KANTILAL KHINWASARA B.Ed College" marked this festival "Mehndi Competition".

Importance of applying Mehendi in Nag Panchami is great and has a historical story behind it. On this day we should not chop, cut, fry even can't keep a frying pan on the fire. The following of these norms has its own importance also digging is forbidden.

All our students teachers took part in this competition with great enthusiasm. Our professors were all ready to evaluate and take part.

Number of students teachers applied mehendi on each others hand and enjoyed a lot. Afterwards our path enlightened evaluated the participants on various basis and announced the results. Finally we all student teachers were happy to go back with smiling faces and painted Hina hands wishing each other.

# INDEPENDENCE DAY CELEBRATION

We the students teacher helped the teachers in preparation of Independence Day celebration. I along with student teacher carried out various activities. It was a very learning and enjoying experience, to spend time with student in an extra curricular activity. The celebration gave us a hands on experience of how yearly functions are conducted in school.

It is a proud moment for every one as we approach another Independence day on August 15<sup>th</sup>. This annual observance has a great significance and this special day is celebrated for commemorating our brave leaders and fighters of history who won us the freedom we are enjoying today.

The value of Independence Day is quite high for each Indian on this day, each and every Indian gets an opportunity to remember and show gratitude towards great men and women whose reflects

Sacrifices and unparalleled contributions brought us freedom. This year, the 75<sup>th</sup> year of India's Independence is being celebrated with great enthusiasm under the name "Azadi Ka Amrit Mahotsav".

The importance of Azadi Ka Amrit Mahotsav is that it makes us realise that our forefathers have done their share of responsibilities in bringing India's Independence and now the task lies in our hands - how we can shape and form the future of our country. Thus, Azadi Ka Amrit Mahotsav aims to blow the winds of patriotism and national integration across the country this Indian Independence day.

The programme started with the morning prayer at 8.00 am. Our respected principal and all our senior professors and teachers were sitting on the stage and all the student teacher were standing in the proper line on the ground. Our beloved principal maam and guest hoisted the flag together & later followed by National Anthem sung by everyone. Later on different types of programme were presented by the students.

Our principal Dr. Nirmala Tapkeer maam gave a very motivated & patriotic speech. Finally Independence day took place & finished.

# EDUCATIONAL IMPLICATIONS

Co-curricular & extra curricular activities are designed & balanced with academic curricular so that every student gets to learn beyond subjects. They are meant to bring social skills, intellectual skills, moral values, personality program & progress & character appeal in students. The co-curricular activities conducted at Kantilal Khinwasara College of Education, were planned so as to create interest & develop healthy competition among students. It also helps in building team spirit among the students.

Co-curricular activities facilitate in the development of various domains of mind & personality such as intellectual development, social & moral development and aesthetic development.

NTopt

# My Opinion

Co-curricular activities are enabled to supplement & complement the curricular or main syllabi activities.

The various activities conducted under co-curricular activities has helped in developing, the personality of the student teachers. This has also enabled the student teacher to learn & understand the work behind conducting activities at school level.

The co-curricular activities have a wide horizon to cater to the cultural, social, aesthetic development of the student teacher.

The outcomes of the co-curricular activities is personality development in the areas of creativity, enthusiasm, energy and positive thinking.

## SUMMARY

National Science Day is celebrated in India on 28<sup>th</sup> February each year to mark the discovery of the Raman Effect by Indian physicist Sir C.V. Raman on 28<sup>th</sup> February 1928. For his discovery, Sir C.V. Raman was awarded the Nobel Prize in Physics in 1930.

In our institution the National Science Day was celebrated with a lot of chatting and many aficionados came forward eagerly to participate in the fest. Our class participated and celebrated this day on Monday, 1<sup>st</sup> March 2021. The venue for this celebration was decided as our homes, attending and partaking through the ZOOM application, online. It began at 3:45 p.m. with the anchors Mrs. Anapri and Mrs. Yukta welcoming the Professors and classmates. A short hymn, "Tu Buddhi De" was played by Mrs. Arvlin, asking for God's blessings on the occasion. It was followed by Mrs. Varsha describing the contribution of Dr. A.P.J. Abdul Kalam in the field of science and towards our country. A Quiz was organised by Mrs. Madhuri and later Mrs. Poonam briefed us on the works of Vikram Sarabhai. Mrs. Asha performed an interesting experiment using the food colours and detergent in a plate of milk which formed spectacular designs and patterns.

## REPORT

DATE: 27/02/2021

DAY: SATURDAY

TOPIC: MARATHI LANGUAGE DAY CELEBRATION

PLACE: KANTILAL KHINWASARA B.ED. COLLEGE

TIMING: 3-30 P.M. TO 5:00 P.M.

February 27 is celebrated all over Maharashtra as "Marathi Bhasha Diwas" also known as "Marathi Language Day" to honour the birth anniversary of renowned Marathi poet Vishnu Vaman Shirwadkar, also popularly known as 'Kusumagraj'.

A high spirited feeling of pride towards Marathi language pervaded in the air of 'Kantilal Khinwasara B.ed. College' on the 27th of February 2021 as we celebrated National Marathi Language Day. The zeal and enthusiasm of the students participating in the program showed their love towards Marathi language.

The chief guest of the program was principal Dr. Niemala Tapkeer. The event was organised and hosted by Prof. Pratibha Shewate.

The event started with a student Tejal Jadhav reciting two beautiful poems of Kusumagraj. Next there was a poster presentation by Sidhi Patil on the importance of the celebration of Marathi language day. Then students Aronika Bhujbal and Priyanka Chasale

Topic: \_\_\_\_\_

Page: \_\_\_\_\_

Date: \_\_\_\_\_

delivered speeches on importance of Marathi language and V.V. Shirwadkar respectively.

It was to everyone's surprise when a non-Marathi student Varsha Yadav delivered a beautiful speech on Marathi language. Rekha Salunkhe's 'Pawada' performance was eye-catching. Next was poem recitation by students Bhavana Suryavanshi, Gayatri Amberkar and Mayuri Girepunje. They recited heart touching poems like 'Majhi Maati' and 'stai'.

The rest of the event was a self written poem by a student named Neha Deshmans who composed her Marathi poem during Coronavirus pandemic lockdown. The poem had humour element in it and described the changes that took place in our lives during the lockdown. The last speech was by a student Amit Rane in which he talked about the current situation of Marathi medium schools, importance of education in Marathi language and ways to improve it.

Lastly, a student Sonali Vedpathak concluded the event by giving vote of Thanks to respected principal, all the professors, staff and students of Kantilal Khimwasara B.ed. College. It was a fun filled program.

**TITLE :**

Session on Teaching Objectives, Maxims, Core Elements & Values by Mr. Dattatraya Tapkeer

**PLACE :** Kantilal Khinwasara B.ed. College

**DATE :** 5 June 2021, Saturday

**TIME :** 3:00 P.M.

A guest lecture of Mr. Dattatraya Tapkeer was arranged by Kantilal Khinwasara B.ed. College on 5<sup>th</sup> June 2021. The motto of this educative session was to create awareness about the objectives, maxims, core elements and values of teaching among the students. The guest lecture was conducted on Saturday, which both first year and second year student of B.ed. attended. The entire session was hosted by Prof. Nita Puri.

The session started with a welcome speech given by second year student Swati Sinha. She introduced the guest lecturer Mr. Dattatraya Tapkeer by addressing him as an excellent educationist, good writer, co-author, good poetist and scriptwriter. Mr. Tapkeer has contributed his works in various books of philosophy. Later on she invited Tapkeer Sir to share his valuable knowledge with the rest of the students.

Mr. Dattatreya Tapkeer, with his appealing personality welcomed all the students attending the session. He quoted himself as "Traditional speaker for young generations." He expressed his joy in working with young people and new generation. Further talking about objectives, maxims, core elements and values of teaching, he quoted it as "the real soul of educational process."

Talking about maxims of teaching Tapkeer Sir said that these are principles on which teaching is based, which is handed down by all the generations of teaching. He explained various maxims used for teaching purpose which was very informative to the students.

Further talking about objectives of teaching, Tapkeer Sir discussed about Benjamin Bloom's Bloom's Taxonomy, which are the goals or purposes of teaching. He addressed objectives of teaching as 'learning outcomes' of students. He explained the objectives in his unique and appealing way.

The last element of the session were core elements and values, which according to Tapkeer Sir are pillars of education. The examples he gave to explain 10 core elements and 10 values could be

related to everyday lives. Tapkeer Sir gave his special tips on teaching which will be very useful for the students in future.

At the end of the session, there was a quick question and answer section, wherein Tapkeer Sir addressed the queries of several students. Lastly the session was concluded with vote of thanks given by a second year student Pallavi. Undoubtedly it was a very educative, informative and fun-filled session. We, the students of Kankalai Khinwasara B.ed College thank all the professo and respected principal Mrs. Niamala Tapkeer for organizing and attending the session.

She holds an array of educational qualifications & has guided around 100 students in the field of research. Dr. Neha Deo is also a very good writer & has written various articles, blogs & books on research & statistics.

The guest lecture started with a welcome speech given by respected principal Dr. Nirmala Tapkeer followed by introductory speech by student teacher.

Dr. Neha Deo gave a very comprehensive & detailed lecture on the basis of research methodology. She conducted her session with the help of Powerpoint Presentation. The session went on for 2 hours where she explained about the concept & type of research. She spoke elaboratively on the Research Proposal, its components & elements & how to frame a proposal. Dr. Deo also gave detailed information about the Tools for data collection. The concepts were very well-explained with lot of examples. She also kept the forum open for queries & cleared the queries of the student teachers very effectively.

The anchoring was done by Pallavi Arali and a beautiful & simple definition about "What is science" given by Mrs Pallavi Arali.

She was told all the information about the scientist i.e. C.V. Raman and discovery of Raman effect.

After the Pallavi's speech there was one of the most inspirable speech given by our teacher Prof. Varsha Lambate, ma'am.

She was focused on that is Practical work should be improved by the students along with theoretical knowledge.

On the occasion of the science day we get much more information by our another teacher Prof. Surekha Rajwant, ma'am.

She focused on the uses of electronic gadgets i.e. overuse of smart phones, social media etc. and their hazardous effect on society.

There was Quiz contest also arranged by Preeti sen Gupta & Anupama Norvikar.

In that Quiz contest all the questions was based on Science day.

After the Quiz contest there was one of the beautiful speech given by priyanka Patil.

She was awared about or difference between modern and ancient science. For that she was given the reference of evidences which already mention in the holy books, like 'Veda'.

After that beautiful speech the vote of thanks given by Pallavi Arali.

Thus we celebrated both the Marathi day and Science day enthusiastically in our college.
