Report on A.P.J. Abdul Kalam Wachan Prerna Din (Reading Inspiration Day)

Date: 14th October 2023

1. Introduction:

The Kantilal Khinwasara College of Education celebrated "Wachan Prerna Din" (Reading Inspiration Day) on 14th October 2023 to honor the birth anniversary of Dr. A.P.J. Abdul Kalam, India's former President and renowned scientist. This day is marked as a celebration of reading and lifelong learning, inspired by Dr. Kalam's belief in the power of education and knowledge. The event was organized by students and professors of the college, featuring speeches, cultural performances, and discussions that focused on Dr. Kalam's life and vision.

2. Objective:

- To inspire students to cultivate the habit of reading.
- To pay tribute to Dr. A.P.J. Abdul Kalam and his contributions to education and science.
- To encourage the pursuit of knowledge as a means to achieve success and serve society.

3. Programme Details:

A. Chief Guest and Dignitaries:

The event was graced by our esteemed chief guest, Dr. Nirmala Tapkeer, the Honorable Principal of our College. She was accompanied by the cultural head, Prof. Shailifa Chaturvedi, and other distinguished faculty members. Their presence added great significance to the occasion.

B. Inauguration:

The programme began with the traditional lighting of the lamp by our chief guest, Dr. Nirmala Tapkeen, along with the event's organizer, Prof. Shailifa Chaturvedi. This was followed by a short puja ceremony, seeking blessings for the success of the event.

C. Informative Speech by Supriya Rajapurkar:

The first session began with an insightful speech delivered by Supriya Rajapurkar, a student of the college. She provided an informative overview of Dr. A.P.J. Abdul Kalam's life, his achievements, and the values he championed. She quoted Dr. Kalam, emphasizing, "If four things are followed—having a great aim, acquiring knowledge, hard work, and perseverance—anything can be achieved." Her words served as an inspiration to everyone present and set a motivating tone for the rest of the event.

D. Anchoring by Swati Apte:

Following Supriya's speech, Swati Apte took over as the anchor for the remainder of the event. She engaged the audience with her well-researched and insightful commentary on Dr. Kalam's vision for education and his advocacy for reading. Her speech reflected the values of knowledge and perseverance, which were central to Dr. Kalam's philosophy.

E. Address by Prof. Shailifa Chaturvedi:

The cultural head and event organizer, Prof. Shailifa Chaturvedi, delivered a stirring address on the occasion of Reading Inspiration Day. She highlighted the importance of cultivating a habit of reading not only for academic growth but also for personal enrichment. She encouraged students to read widely, emphasizing how reading can broaden one's worldview and help in the pursuit of excellence.

Tree Plantation

Date of Event: 24th January 2024

1. Introduction:

In line with our commitment to environmental sustainability, Kantilal Khinwasara College of Education organized a tree plantation drive on 24th January 2024. This initiative was conducted outside the college campus, involving students, faculty, and local community members. The objective was to promote environmental awareness and contribute to the "Green India" mission by enhancing greenery in the surrounding areas.

2. Objectives:

- To raise environmental awareness among students and faculty.
- To encourage active participation in sustainable practices like tree planting.
- To contribute to improving the local environment by increasing the green cover.
- To foster a sense of responsibility and community involvement in protecting nature.

3. Planning and Organization:

A. Pre-Event Planning:

- Location: The plantation drive took place on the outskirts of the college, near the adjoining road and public spaces.
- Saplings: A variety of saplings were procured, including fruit-bearing trees (mango, guava), flowering plants (gulmohar, bougainvillea), and indigenous trees (neem, peepal).

- Collaborations:** The event was supported by local environmental NGOs and the municipal corporation, which provided guidance and logistical support.

B. Roles and Responsibilities:

- Faculty: Faculty members led the organization of the event, ensuring the smooth coordination of volunteers and participants.

- Students: B.Ed. students were actively involved in the planting process, from digging holes to watering the saplings.

- Community Involvement: Local community members participated, enhancing the event's impact and fostering a sense of shared responsibility for the planted **saplings.**

4. Event Execution:

A. Inauguration:

The tree plantation drive was inaugurated by the college principal, who emphasized the importance of environmental conservation and how such activities align with the educational goals of shaping responsible citizens.

B. Plantation Process:

- Number of Saplings Planted: A total of 50 saplings were planted during the drive.

- Types of Trees: The saplings planted included a mix of fruit trees, flowering plants, and native species to ensure biodiversity.

- Watering and Maintenance: Arrangements were made for regular watering and upkeep of the saplings. Students volunteered to monitor the growth of the saplings and report any issues.

C. Awareness Campaign:

During the event, short talks were delivered by environmental experts, highlighting the importance of afforestation, the role of trees in reducing carbon footprints, and their positive impact on the ecosystem. Educational pamphlets were distributed to raise awareness about the importance of trees and sustainable practices.

5. Outcomes:

- Environmental Impact: The plantation of 50 trees will contribute significantly to the local ecosystem, improving air quality, providing shade, and offering habitats for birds and insects.
- Educational Impact: Students gained practical knowledge about the process of tree planting and learned the importance of environmental stewardship.
- Community Engagement: The involvement of local community members fostered a collaborative spirit and helped strengthen ties between the college and the community.

Lecture on Skin and Organ Donation

By:- Dr. Vijaya Vivek Date

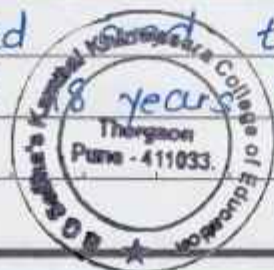

Co-ordinator :- Prof. Jyoti Dawkhar

Date :- 25th January 2023

Our college 'Kantilal Khinwasara B.Ed college' and Savitribai Phule university Pune jointly organised the lecture on SKIN and ORGAN Donation. This was organised for students to disseminate importance and create awareness about skin and organ donation.

A very informative lecture given by the prominent personality of healthcare and surgeon Dr. Vijaya Vivek Date ma'am who is serving people to maintain their healths from last 35 years. She is also engaged in a noble work of creating awareness in the society about skin and organ donation.

Skin donation is a donation that anyone can make after their deaths, which can save the lives of thousands of people and offer them a much better quality of life. Skin donation, can be made after cardiac death. Like any organ skin can be donated and transplanted too. Anyone above the age of 18 years can donate skin.

Celebration

The programme started with welcome our chief guest Dr. Vijaya Date mam. Mam has done Saraswati Poojan and other professors and co-ordinator mam also done poojan. The program followed by welcome song by Yogita Patil. After that Pooja Kumari invited Tanvi Sapkal to give introduction of chief guest Dr. Vijaya Date mam. After introduction Pooja invited mam for speech on skin donation.

Mam given more detail information about skin and organ donation. She stated that out of 10 lakh people who get burnt every year, at least half of them get help from skin donors. Anyone above the age of 18 years can donate skin, every person who donates eyes is eligible for skin donation but not mandatory. The skin consist of two layers namely outer epidermis and inner dermis skin can be donated within six hours from the time of the death.

There is huge demand of skin for transplantation. The ratio between demand and supply varies very fast due to lack of awareness and fear amongst the people in our country for donation. We need to respect to the dead bodies and cant accept it in discrepant manner. The fact is only $\frac{1}{8}$ th layer of skin is removed ~~without~~ disturbing the structure of the skin and body.

Dr. vijaya Date also given us the information that like organs, the donated skin can be stored in skin banks For five years. Providing more flexibility to surgeons who can use it For various burn cases. She said that like for kidney, heart, liver or bone marrow transplant, blood & tissue need to matches between donar and recipient is necessary. In case of skin donation there is no requirement of blood matching.

Discussion and lectures should be undertaken by the people to encourage each others to donate organs. It should be started right from our own families. As human body is a gift of god and no eminent scientists then and now could create a single tissue of a human body till date. So the God's unique creation can be utilized for the one who needs it. Thus she concluded her speech with a beautiful poem by herself. and gave a beautiful message of

"LIVE LIFE AFTER LIFE"

"The measure of life is not its duration but its donation."

A Report on

Food Donation the Occasion of Ram Navami

Date:17th April 2024

Occasion: Ram Navami Celebration

Venue: BGS's Kantilai Khinwasara B.Ed. College,Thergaon

On 17th April, the auspicious occasion of Ram Navami was celebrated with great devotion and enthusiasm at [Venue Name]. The day was marked by a series of religious events, beginning with the sacred recitation of the Ram Charitra Manas, followed by Pooja, Bhajan Kirtan, Arti, Hawan, and the distribution of Prasad.

1. Ram Charitra Manas Pathan

The celebration began with the Pathan (recitation) of the Ram Charitra Manas, a revered epic that recounts the story of Lord Rama. Devotees gathered early in the morning to participate in this spiritual recitation, which filled the atmosphere with divine energy and devotion.

2. Pooja

A traditional Pooja ceremony was performed in honor of Lord Rama. The priests led the ritual, chanting sacred mantras while offering flowers, fruits, and other offerings to the deity. The participants, both young and old, actively took part in the ceremony, seeking the blessings of Lord Rama for peace and prosperity.

3. Bhajan Kirtan

Following the Pooja, devotees joined in Bhajan Kirtan, singing hymns and devotional songs in praise of Lord Rama. The devotional singing brought a sense of unity and joy to the celebration, as everyone came together to express their love and devotion through music.

4. Arti

As the day progressed, an Arti was performed to invoke the blessings of Lord Rama. The beautiful ritual, accompanied by the ringing of bells and the lighting of

lamps, was a significant moment for the devotees, as they offered their prayers and reverence to the deity.

5. Hawan

In the afternoon, a sacred Hawan was conducted. The ceremonial fire offering, believed to purify the environment and the participants, was an essential part of the Ram Navami celebrations. Devotees participated by offering Ahutis (offerings) to the fire, symbolizing their devotion and commitment to righteousness, as exemplified by Lord Rama.

6. Prasad Distribution

The celebration concluded with the distribution of Prasad. As part of the tradition, a food donation was organized, where all the devotees and community members were served with a wholesome and delicious meal. The *Prasad* included various traditional dishes, and the food distribution was carried out with the spirit of service and generosity, ensuring that everyone present received the blessings of Lord Rama through the sacred meal.

Outcome of Event:

Overview: On the auspicious occasion of Ram Navami, BGS's Kantilal Khinwasara B.Ed. College, located in Thergaon, organized a food donation drive to serve the community and uphold the values of kindness and compassion. The event aimed to provide meals to those in need, while also fostering a sense of unity and selflessness among the students, faculty, and volunteers.

Participants: The food donation initiative was led by the students and faculty members of the B.Ed. College. A large number of volunteers, including students, faculty, and local community members, enthusiastically participated in the event.

Proper arrangements were made to ensure cleanliness, hygiene, and safety during the food preparation and distribution process.

The meals provided included a balanced and nutritious combination of rice, pulses, vegetables, and sweets, in keeping with the cultural significance of Ram Navami.

HAPPY

GANDHI

JAYANTI

Every year we celebrated Gandhi Jayanti on 2nd October. 2nd October is a national holiday so we celebrated Gandhi Jayanti on 7th October in college.

A great leader Mahatma Gandhi was born on 2nd October 1869 at Porbandar in Gujarat. He is remembered for his unforgettable contribution to the struggle for freedom. His aim was to build a new society that practices nonviolent and honest behaviour.

The United Nations celebrates the day as International Day of Non-Violence called the "Father of the Nation" by Subhas Chandra Bose.

Gandhi espoused one of the most well known philosophies of nonviolent resistance.

This year we celebrated his 154th birth anniversary.

LAL

BAHADUR

SHASTRI

Along with Gandhi Jayanti we celebrated the birth anniversary of another great person that is Lal Bahadur Shastri.

Shastri was born to Sharada Prasad Srivastava and Ramdulari Devi in Mughal Sarai Varanasi. He was one of India's most revered leader.

He was the 2nd prime minister of India from 1964 to 1966. He was a senior leader of the Indian National Congress political party.

"Jai Jawan Jai Kisan" was a slogan of Lal Bahadur Shastri, the second prime minister of India spoken in 1965 at a public gathering Uruwa Prayagraj.

Soon after Shastri took over the prime minister ship of India after Nehru's death India was attacked by Pakistan. At the same time there was a scarcity of food grains in the country. Shastri gave the slogan "Jai Jawan Jai Kisan" to enthuse the soldiers to defend India & simultaneously urging farmers to do their best increase the production of food grains to reduce dependence on imports.
